

FOR IMMEDIATE RELEASE:

AHMC Opens New Regional Office in Dubai, U.A.E.

WASHINGTON, D.C., USA- January 8, 2014 - American Hospital Management Company (AHMC), announces its new regional office in the Middle East. The new office officially opened on January 1, 2014, is located in the Emirates Towers, Level 41 on Sheikh Zayed Road in Dubai, United Arab Emirates (U.A.E.). The iconic Emirates Towers, a popular element of Dubai's skyline, are among the tallest buildings in the world. AHMC's new office is on the forty-first (41st) floor of Emirates Tower One, the taller of the sister towers. The office we established in order to allow AHMC and staff to better cater to the needs of existing clients based in the U.A.E., Saudi Arabia, Bahrain, Jordan, Egypt and Libya. In addition, it will enhance the hospital operator's responsiveness to potential clients and partners in the region.

The AHMC new office was opened in advance of Arab Health 2014 scheduled for January 27-30 at the Dubai World Trade Center. AHMC's Washington DC based Corporate Executive team which will be participating in the event intend to host contract signings and client meetings at the new office during the event. "Arab Health 2014 offers AHMC a great opportunity to increase awareness of our new Dubai office and we are excited to let our clients, prospects and partners know that we are committed to them and that we will take the necessary steps to ensure that we will be more accessible and in a better position to be of service to them" said Randall Arlett, President and CEO.

AHMC's decision to establish an office in the region is spurred by the rapid growth in the hospital operator's client base in the Middle East and North Africa, as well as, the increasing demand for its management model based on the very best of American hospital management practices and quality standards. "In the last few years the demand for American hospital management expertise has shifted enough to warrant AHMC refocusing its time and resources to the region in order to better cater to the needs of our clients and prospects in North Africa and the Middle East" said Ralph Foster II, Vice President of Business Development.
