AHMC EMBARKS ON LONG-TERM MANAGEMENT AGREEMENT WITH AL JAZEERA MEDICAL HOSPITAL IN RIYADH, SAUDI ARABIA

WASHINGTON, D.C. – May 3rd, 2014-

American Hospital Management Company (AHMC), today assumed the management and operations of **Al-Jazeera Medical Hospital** in Riyadh, Kingdom of Saudi Arabia. AHMC's CEO, Randall Arlett and V.P. of Corporate Development, Ralph Foster II, signed the agreement while in Riyadh, Saudi Arabia at a signing ceremony hosted by Al-Jazeera Medical Hospital's Owner Abdulrahman Al Shammari and witnessed by the hospital's Chairman of the Board Mohammed Alsegaih on April 16, 2014. The newest hospital to become a part of AHMC's hospital network is a 60 bed privately owned facility.

Al Jazeera Medical Hospital is the second medical facility to sign a long-term management agreement with AHMC in Saudi Arabia, joining **Al Qadi Specialty Hospital** in Najran. The Saudi healthcare sector is in a state of transition and is projected to grow significantly as the Kingdom has set a target of increasing the number of hospital beds in the country by 30,000 in the next few years. Various reforms and incentives have been implemented which are encouraging modernization of existing facilities and the development of new state-of-the-art world-class facilities that meet international quality standards in order to meet the healthcare needs of the people. These developments coupled with the demand for American hospital management expertise have had a significantly positive impact on AHMC's commitment to playing a leading role in the healthcare future in Saudi Arabia and throughout the region.

“AHMC is dedicated to serving each client and bringing their facilities to cutting-edge, international standards. We are looking forward having a long-term relationship with Al Jazeera Medical Hospital and the community of Riyadh”, said CEO Randall Arlett.
