

FOR IMMEDIATE RELEASE

AHMC'S GLOBAL HOSPITAL NETWORK EXPANDS WITH THE INTEGRATION OF DOCTOR BAKHSH HOSPITAL IN JEDDAH, KINGDOM OF SAUDI ARABIA

WASHINGTON, D.C. – September 2, 2014- **American Hospital Management Company (AHMC)** and **Dr. Bakhsh Hospital**, proudly announce the ratification of an agreement in Jeddah, Kingdom of Saudi Arabia, whereby AHMC will provide the Jeddah based hospital with its administration and operational expertise via a formal long-term management agreement thereby formalizing the hospital's addition to the AHMC Global Hospital Network.

Rana Bakhsh, Dr. Bakhsh Hospital Co-owner, stated "We look forward to welcoming the AHMC team into the Bakhsh Hospital family. We believe that this agreement follows our pioneering tradition of providing world class quality healthcare services while giving access to a network of international healthcare systems."

The late Dr. Abdulrahman Taha Bakhsh,
founder of Dr. Bakhsh Hospital.

AHMC's CEO, Randall Arlett, and Executive Vice President, Dan Smigelski, along with the Dr. Bakhsh Hospital Board of Directors signed the five year management agreement at a signing ceremony hosted by the hospital's Board, executive team medical staff and employees. AHMC's alliance with Dr. Bakhsh Hospital will involve it deploying and adapting its successful management model based on American healthcare management fundamentals and international quality standards and aim to enhance patient safety, quality, productivity and profitability.

"AHMC is honored to have forged this alliance with Dr. Bakhsh Hospital which will create the synergies needed to play a prominent role in meeting the healthcare needs of the community it serves as well as setting the standard for quality healthcare services in the region," said Randall Arlett, AHMC CEO.
