FOR IMMEDIATE RELEASE

AHMC ANNOUNCES RETURN TO ARAB HEALTH IN DUBAI, UAE JANUARY 26-29

WASHINGTON, D.C. – December 16, 2014 - **American Hospital Management Company** announced today their participation at Arab Health 2015, the Middle East's largest healthcare exhibition & congress, held January 26-29 at Dubai's International Exhibition Centre. This year will mark the 40th anniversary of Arab Health and will attract over 65,000 healthcare professionals from around the globe. With an expected 4000 exhibitors in 40 country pavilions and 95,000 attendees, this year's exhibition will be the largest in its 40 year history. Arab Health is the ideal stage for AHMC to connect with current and perspective clients as well as forge new opportunities in the GCC region.

AHMC will be exhibiting in the US Pavilion at booth 1H01. AHMC's Corporate Team Randall Arlett, CEO, Greg Kuntz, Regional Vice President, Ralph Foster II, Vice President of Business Development, Tess Bower, International Marketing Representative, Alexis Lauren, Vice President of Human Resources and William Kaafarani, International Account Executive will be returning to the event. The team will host meetings at the booth during the event and also at their Dubai office the following week.

"Arab Health is AHMC's foremost event of the year. We have made significant inroads in the region by participating in Arab Health over the past three years. There is high demand in the GCC for American healthcare management expertise in which AHMC employs," stated Ralph Foster. "The team is looking forward to reconnecting with clients and colleagues at the event as well as establishing new business relationships," he added.

"The private healthcare market in the GCC and MENA hold vast opportunities for growth and development. AHMC has been active in the region since 2011 and has obtained a deep understanding of the healthcare needs. Our commitment to bringing world-class healthcare to the region remains AHMC's priority and the reason we are eager to return to Arab Health year after year," expressed Randall Arlett.
